			The number you have assigned to this individual animal

1. You apply for you stud prefix when you request your stud name.
2. Breed / Grade is the type of Boer Goat you are registering.
3. The year letter designates the year that the animal was born. Letters 'I' and 'O' are not used.
4. Number is the unique number you have designated for your animal. The standard is 4 digits so include '0' to fill the space ie 0001 for 1.

Breed Codes/Grade

    a. A Standard Fullblood Boer (F) is a fullblood boer with a white body and coloured head.

    b. A Red Boer (R) is a fullblood boer of solid colour.

*Note - A Fullblood boer with **'Painted'** colour can be registered under the Standard (F) or Red (R) register depending on owner preference. This can be based on the animal's 'main colour' or the animals 'parentage'.*

The "most relevant" colour option can be chosen under the Colour Drop Down Box on the registration request form.
